

Briefing Sessions

Moreland STEPS And the Sustainable Design Scorecard Non-Residential

Moreland City Council and the City of Port Phillip are currently offering Council's and industry groups the opportunity to schedule a Briefing Session with a STEPS/SDS Project Officer, held at your workplace.

The Briefing Session presentation runs for approximately 1 - 1.5hrs and provides:

- An overview of current Victorian environmental sustainability regulation and policy,
- Background on the development of the STEPS and SDS Non-residential projects/tools,
- Brief overview on how the tools work and
- Details regarding the implementation by participating Councils and how other Councils can use the tools.

To schedule a Briefing Session simply complete and return this form with proposed date(s) and time(s).

For more information please go to:
